

WELCOME

"I shall do everything for Heaven, my true home. There I shall find my Mother in all the splendour of her glory. I shall delight with her in the joy of Jesus." - St Bernadette

Welcome to the St Bernadette Relic Tour. As part of this very special journey, the Relics of St Bernadette are travelling on pilgrimage to England, Scotland and Wales for the very first time, bringing the graces and gifts of Lourdes to people across three nations.

Visiting 51 churches and cathedrals, this once-in-a-lifetime pilgrimage offers important opportunities for prayer, reflection and spiritual renewal and the chance for people of all ages and backgrounds to experience the special charisms of Lourdes in a church or cathedral near them.
